

Help Your Residents Save on Prescriptions

And Help Your County's Bottom Line, Too!

NACo's Prescription Discount Card Program was launched in 2005 and county residents across the country have saved more than \$450 million over that period of time. Your residents can save, too! Savings can be up to 75%; the average savings rate is 24%. More than 65,000 pharmacies participate, including all the major chains. The program is free, easy to start and everyone is eligible.

The program can also help your bottom line. Your county can receive a marketing reimbursement fee for every prescription filled using the card. This funding could be used for specific programs or to balance your budget.

It's a winning program! It's a winner for residents and for counties. Sign up today!
